At the May 13, 2008 hearing on Plaintiffs' Motion to Compel, Defendant submitted excerpts of personnel records for in camera review. At the March 4, 2008 discovery hearing, Plaintiffs articulated that they sought "complaints or reports of complaints, whether determined to be unfounded or not, relating to harassment, racial profiling or other similar conduct within the last five years with respect to the officers at issue." With these parameters in mind, and interpreting Plaintiffs' request for information broadly, the Court orders that some documents that were withheld should be produced.
